

## Office of Personnel Management

## § 532.239

Employees serving as data collectors are considered to be on official assignment to an interagency function, rather than on leave.

(f)(1) Each member of a local wage survey committee, each data collector, and any other person having access to data collected must retain this information in confidence, and is subject to disciplinary action by the employing agency or activity if the employee violates the confidence of data secured from private employers.

(2) Any violation of the above provision by a Federal employee must be reported to the employing agency and, in the case of a participant designated by a labor organization, to the recognized labor organization and its headquarters, and shall be cause for the lead agency immediately to remove the offending person from participation in the wage survey function.

### § 532.235 Conduct of full-scale wage survey.

(a) Wage survey data shall not be collected before the date the survey is ordered by the lead agency.

(b) Data collection for a full-scale wage survey shall be accomplished by personal visit to the establishment. The following required data shall be collected:

(1) General information about the size, location, and type of product or service of the establishment sufficient to determine whether the establishment is within the scope of the survey and properly weighted, if the survey is a sample survey;

(2) Specific information about each job within the establishment that is similar to one of the jobs covered by the survey, including a brief description of the establishment job, the number of employees in the job, and their rate(s) of pay to the nearest mill (including any cost-of-living adjustments required by contract or that are regular and customary and monetary bonuses that are regular and customary); and

(3) Any other information the lead agency believes is appropriate and use-

ful in determining local prevailing rates.

(c) The data collectors shall submit the data they collect to the local wage survey committee together with their recommendations about the use of the data.

[46 FR 21344, Apr. 10, 1981, as amended at 55 FR 46140, Nov. 1, 1990. Redesignated at 55 FR 46141, Nov. 1, 1990]

### § 532.237 Review by the local wage survey committee.

(a) The local wage survey committee shall review all establishment information and survey job data collected in the wage survey for completeness and accuracy and forward all of the data collected to the lead agency together with a report of its recommendations concerning the use of the data. The local wage survey committee may make any other recommendations concerning the wage survey which it considers appropriate.

### § 532.239 Review by the lead agency.

(a) The lead agency shall review all material and wage survey data forwarded by the local wage survey committee to:

(1) Assure that the survey was conducted within the prescribed procedures and specifications;

(2) Consider matters included in the local wage survey committee report and recommendations;

(3) Exclude unusable data;

(4) Resolve questionable job matching and wage rate data; and

(5) Verify all computations reported on wage data collection forms.

(b) The lead agency shall determine whether the usable data collected in the wage survey are adequate for computing paylines, according to the following criteria:

(1) The wage survey data collected in an appropriated fund wage survey are adequate if the unweighted job matches include at least one survey job in the WG-01 through 04 range, one survey job in the WG-05 through 08 range, and two survey jobs in the WG-09 and above range, each providing at least 20 samples; and at least six other survey
